Address: al shohada street, al bedr 2, 1600, Saida, Lebanon (Home)

WORK EXPERIENCE

01/10/2023 – CURRENT Damour, Lebanon
TEACHING ASSISTANT RAFIK HARIRI UNIVERSITY

- Assisted students in programming courses by providing guidance and support during lab sessions and study room hours.
- Facilitated student learning by helping with course material, debugging code, and reinforcing key programming concepts.
- Supported the instructional team in ensuring a productive learning environment and addressing student questions or challenges related to programming coursework

01/05/2024 – 01/08/2024 beirut, Lebanon
BACKEND DEVELOPMENT INTERN CIATEK IT SERVICES

- Developed backend solutions utilizing Python, Django, Django Rest Framework, and Django Ninja for an ERP system.
- Designed and implemented robust API endpoints using Django Ninja, ensuring scalability, security, and efficiency to support diverse system functionalities.
o Applied comprehensive validation and serialization techniques to maintain data integrity and consistency.
o Leveraged Django Ninja's built-in features for automated documentation and type-checking, improving development efficiency and minimizing errors.
o Optimized database queries and data processing methods to ensure high performance and responsive APIs.
- Conducted research to identify and implement the most effective strategies for feature development and system enhancements.
